attempt is being made to see the file in the meanwhile.

The file referred to by the Fin. Secy. is not easily traceable. To avoid delay, a draft to Huzur Secy. is put up.

It is also ascertained that on a representation from Mr. Ranganna the Comptr. refused to permit him to sit for the local S.A.S. exam. It is for consideration whether the Comptr. may not also be consulted in the matter.

Subd. for orders. The file referred to by Fin. Secretary is not available.

The applicant has gone direct to the Accountant General and has come back with the remark that it should go to him through the proper channel. It seems that in these circumstances may be forwarded in the ordinary course. Let it be marked

A copy of my letter No.911 R dated 31st December 1922 to the Huzur Secretary about the admission of this applicant to the Mysore S.A.S. Examination is enclosed for information. Officials of other departments are not allowed to sit for departmental examinations held in Account Offices in British India. Such a course would tend to recommendations being made by other officers for transfer of their men to this office to the prejudice of the men already in the office and would set up inconvenient precedents.

It will be seen from the above that Mr. Rangama of the Palace Office has previously applied to the Compt^r for permission to sit for the Mysore SAs Ex^n and permission was refused by the Compt^r for the reasons stated above. As there is a big account section of the Palace office, it maybe that the Palace authorities consider it necessary that the members of their staff should qualify themselves as Accountants
